

MANUFACTURERS LIMITED WARRANTY

MVP Group (JET TECH) hereby warrants all new ware-washers bearing the name "JET TECH" and installed within the continental United States of America or Canada to be free from defects in material or workmanship, under normal and regular usage and operation, for a period of one (1) year following the date of original installation, (**unless specified otherwise**) but in no event can exceed eighteen (18) months from the date of shipment from the factory.

If a defect in material(s) or workmanship is detected; or found to exist within the stated period above, MVP Group at its sole discretion, shall either repair or replace any part which has proven to fail within the machine; providing that the equipment has not been altered or tampered with in any manner, has been installed correctly as per the owner's manual, and maintained and operated in complete accordance with this manual.

The labor cost to repair or replace any part proven to be defective, as per above clause(s), shall be covered by MVP Group, within the continental United States of America or Canada; provided that: prior authorization for this labor was approved by MVP Group, the service work was performed by an authorized service agency; and that this agency installed an original and genuine JET TECH part in the machine. Any repair work performed by a non-authorized service company remains the sole responsibility of the user, and MVP Group will not be held responsible. **The installation of any generic part will not be valid; and therefore voids this warranty.** All authorized labor coverage shall be limited to regular hourly rates only. Any supplemental hourly rates or charges, such as weekends or emergency premiums remain the responsibility of the user.

MVP Group hereby states that: warranty travel time shall be limited to, and without exception, a round-trip total of two (2) hours or mileage up to a maximum of one hundred (100) miles round-trip. Any charges exceeding those stated herein must have prior authorization by the factory.

Exceptions to above warranty are: (a) damages resulting from shipping, handling or abuse. (b) Incorrect installation and/or connections. (c) Unauthorized adjustments or calibration of any thermostats or timers. (d) Faults due to lack of regular maintenance or cleaning of any internal part(s). (e) Replacement of any wearable items such as: curtains, or peristaltic squeeze tubing or gaskets. (f) Excessive lime, mineral, alkali or hard water conditions and (g) poor results due to: use

of an incorrect type of detergent (for non-commercial type applications or chlorinated), and excessive or inadequate water temperature or pressure conditions.

MVP Group states that there are no other warranties, expressed or implied, that are not set forth herein, MVP Group shall assume no other responsibility, either direct or non-direct, or be liable for any other or additional loss or damage whether being direct or consequential, as a result of its equipment.
